			<p>Welcome to the Pittsburgh Tour!</p> <p>The tour begins from LaBella Bean Coffee House and Eatery, which you can find by entering 609 Washington Ave, Bridgeville, PA 15017 into your GPS.</p> <p>This Hagerty Touring Series Drive was designed to be used with the Rallista driving app on iOS. For Android or other users, we've created this PDF route sheet to allow you to enjoy the drive. While the app gives you turn-by-turn directions, this sheet requires that you watch for turns yourself. A co-driver, or navigator, could be quite helpful!</p> <p>We've based our road names off of the national database and local maps, but occasionally local useage is different. Every effort has been made to ensure these directions, and road signs, are correct. If you happen to get lost, simply drive to the next town or major waypoint in the instructions, and pick up the route from there.</p>
